22 As matters stand, ~~Under present conditions~~ it is difficult to note on the relative seniority of individuals referred to etc. It is however submd. that the question of promoting some officers on Rs 400 to Rs 400 - 30 - 700 (of whom Mr. Venkata Rao Telang is one) is being separately considered ~~in the~~ and an examination of the financial position of the University is being done. involve any supersessions. As already noted at para 3, the necessity for converting the temporary posts of Asst Prof and Lecturer into permanent ones and give the incumbents the higher pay i.e. Rs 200 as against Rs 175 which he is getting as Temp Asst Prof (items 4 & 7 of Statement flag D) is not quite apparent. These two arrangements will involve extra cost, & the Univ have not pointed out either the necessity for the proposed conversions or the source from which the extra cost should be met.

States that according to the present proposals of the university, Messrs A. Venkata Rao Telang & C.K. Sundaracharl do not supersede any body in the Physics Dept; that though Messrs R. Seetah & M.G. Seshadri respectively, they are Special Grade for the posts recommended; that each department is considered as a separate unit for promotion and that it has been found necessary to convert the posts of Asst professor on 175 (temp) & one lecturer on Rs 100/- (temp) into one on Rs 200-20-300 and Rs 100-10-150 respectively.

I am not satisfied that there is need for three. Methinks Septuagenarian is equally important has any two of Mats anyone.

in connection with Hon. Comm. immediately it is proposed to promote Mr Lund as Asst. Secy. but when the Secy is permanently the post up some one else would have to be appointed.

In these circumstances it is unnecessary to promote as Secy (permanently) the Rs 400 post. Rs 400 may be held in abeyance, and the question of reviving it taken up when the financial crisis. Against this there will have to be a new post of Asst Secy on Rs 200-20-300.

Subject:—

Proposals for filling up vacancies in the Physics Department of the Central College, Bangalore, consequent on the confirmation of Dr.E.P. Metcalfe, as Vice Chancellor, Mysore University.

38) In consequence of the confirmation of Dr. E.P. Metcalfe as Vice Chancellor, the University Council has recommended the following arrangements:-

(1) Mr. B. Venkatesachar, Professor, in grade Rs.500-50-1,000.	To continue as Professor and be in charge of the Physics Department;
(2) Mr. A. Venkata Rao Telang, Professor on Rs.400.	To be Professor in grade Rs.400-30-700 against the grade Rs. 500-50-1,000;
(3) Mr. C.K. Sundarachar, Assistant Professor in grade Rs.200-20-300.	To be acting Professor with an allowance of Rs.80 vice (2);
(4) Mr. P. Srinivasa Rao, Assistant Professor on Rs.175.	To be promoted to grade Rs.200-20-300 vice (3);
(5) Mr. L. Sibaiya, Lecturer in grade Rs.100-10-150.	To act as Assistant Professor on Rs.175 vice (4).

39) Other seriatim arrangements have also been proposed to fill the place of Mr. Sibaiya who has been recommended to act as Assistant Professor.

40) For some time past there have been three Professors of Physics including one on Rs.400 fixed. I am not satisfied that there is need for three Professors in the Physics Department when the Chemistry Department which is equally important has only two and the Mathematics Department only one. In discussing the matter with the Vice Chancellor he expressed the opinion that the third post of Professor might be kept up, because later on a full Professor would be necessary in connection with the - - - Honours courses. For the present, it is proposed to put in Mr. Sundarachar to act, but when the place is permanently to be filled up some one else, the Vice Chancellor considers, would have to be appointed. Such being the situation, I am of opinion that the post of Professor on Rs. 400 may be held in abeyance and the question of reviving it taken up when the occasion arises. As against this there will have to be a new

post of Assistant Professor. In the result I am of opinion that all the proposals of the University may be sanctioned except item (3), viz., promoting Mr. Sundarachar as acting Professor.

1) Mr. Venkata Rao Telang who was acting professor in the grade of Rs 400-30-700 from 19-11-1929 should be considered as having

been confirmed as such from 24.2.1930.

~~Dear~~ Sir,

With reference to your letter No. 468 dated the 4th July 1930 requesting sanction to certain revised arrangements in the Physics Department of the Central College, consequent on the confirmation of Dr. Metcalfe as Vice-Chancellor, I am desired to state that as it is proposed to appoint Mr. C.K. Sundrachar only as acting Professor, the promotion of Mr. P. Srinivasa Rao to grade Rs.200-20-300 can only be acting and under Government Order No. 3361-2/Edn. 2-23-64 dated 25th January 1924, he seems to be even then entitled to draw only Rs. 175, the pay he is ~~now~~ already drawing as temporary Assistant Professor. For similar reasons Mr. K. Seshadri Iyengar can ~~only~~ be appointed ~~to act~~ only as acting as Lecturer in grade Rs.100-10-150.

It is not clear whether it is proposed to transfer Mr. H.S. Venkataramiah permanent Demonstrator on Rs.125/- in grade Rs.75-10-125 as a Temporary Lecturer on Rs.100 plus 25 p.a. in which case the proposal seems to be open to objection.

D.O.No.9524

Dated, 21st October 1930.

Dear Mr. Rangarao,

With reference to your letter No.10466, dated the 6th October 1930, asking for additional information in connection with the proposals made to fill up vacancies in the Physics Department of the Central College consequent on Dr.Metcalfe's confirmation, I am desired by the Vice-Chancellor to state as follows:-

1.Promotion to Mr.Venkata Rao Telang:- Mr.Venkata Rao Telang does not supersede anybody in the Physics department. On being given the grade, he will supersede three Professors on Rs.400. I am to point out, however, that all these four and two others have been recommended by the University for the grade already. In the special circumstances of the Physics Department, recommendation on behalf of Mr.Venkata Rao Telang has to be repeated.

Mr.C.K.Sundarachar does not supersede any-body in the Physics Department but he will be superseding Assistant Professors in other departments; but each department is considered as a unit in the University, and promotions in each department are regulated by the exigencies of that department.

Mr.L.Seebiah will be superseding Mr.Ramanathan of the Intermediate College,Bangalore. But the Vice-Chancellor is of opinion that on account of his personal qualifications Mr.Seebiah is specially suitable for the work to be done and deserves the promotion.

Mr.H.S.Venkataramiah supersedes Messrs.S.Rangiengar and K. Seshadri. The first is a first class B.Sc. while the other two are 3rd and 2nd class B.Sc.'s; and Mr.H.S.Venkataramiah has, in the opinion of the Professor of Physics, given proof of aptitude

for higher work.

2. Each department is considered as a separate Unit for purposes of promotion.

3. The posts of Assistant Professor on Rs.175 and Lecturer on Rs.100 were created temporarily some time ago, and it has been found necessary to make these posts permanent.

In making these posts permanent it is felt that the grades attached to the posts of Assistant Professor and Lecturer respectively should be given to these appointments. Accordingly it is proposed to convert the Assistant Professorship on Rs.175 into one of Rs.200-20-300 and Lectureship on Rs.100 into one of 100-10-150.

The extra cost on this account, during the current year, will be met from savings in the College budget.

Necessary provision will be made in future budgets.

Yours Sincerely,

T Satyanarayana

General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

C.B. CHIEF SECRETARY 31 JAN. 1931

Sir,

Adverting to Government Order No. 2567-8/C.B.125-29-8 dated the 15th December 1930 sanctioning certain arrangements in the Physics Department of the Central and Intermediate Colleges at Bangalore and Mysore consequent on the confirmation of Dr. Metcalfe as Vice-Chancellor, Mysore University with effect from 24th February 1930, I have the honour to state that as Government Order No.3219-20/C.B.125-29-2 dated the 11th February 1930 sanctioning certain temporary arrangements during the absence of Dr. Metcalfe on other duty as Officiating Vice-Chancellor is not read in the pre-amble of the order referred to above, it is not clear whether Mr. A.Venkata Rao Telang, Acting Professor in grade of Rs 400-30-700 has to be considered as having been confirmed in the aforesaid grade from 24th February 1930 or whether he has to be given the benefit of the grade from that date instead of from 19th November 1929, the date from which the acting appointment was given effect to originally in accordance with the order of 11th February 1930.

2. Further, in G.O. No.3219-20/C.B.125-29-2 dated the 11th February 1930, Mr. C.K.Sundarachar, Assistant Professor in grade Rs 200-20-300 was promoted to act as Professor with an acting allowance of Rs 80/- in place of Mr. Venkata Rao Telang, Professor on Rs 400/- (fixed) acting in grade Rs 400-30-700. Since it is now ordered that the post of Professor on the fixed pay of Rs 400/- held by Mr. Venkata Rao Telang, will be kept Vacant, I request you to be so good as to intimate whether the acting allowance of Rs 80/- per mensem, drawn by Mr. Sundarachar from 24th February 1930 has to be recovered from him as

other

other arrangements have been made against the vacancy from that date. Pending receipt of specific orders in the matter, the acting allowance claimed by the officer for December 1930 was not admitted in audit.

I have the honour to be,
Sir,

Chief Secretary to the
Government of H. H. the Maharaja of Mysore,
Bangalore.

Sir,

With reference to Government Order No. 3395/CB 125-25-10 - dated 24th February 1931 ordering that the post of Professor of Physics on Rs 400/- be considered as not available for being filled up after passing of the Government Order No. 2567-8/CB 125-29-8 - dated 15th December 1930, I have the honour to state that it is not clear whether this Government Order dated 15th December 1930 confirming Mr. Sreenivasa Rao in the same arrangement as Assistant Professor can be given effect to from 24th February 1930 or not, since it has now been ordered that the vacant post is considered not available from 15th December 1930 instead of from 24-2-1930 and Mr. C.K. Sundarachar is treated as acting professor on Rs 400/- up to 15th December 1930.

I, request therefore that definite orders of Government may kindly be obtained on the following points:-

A If Mr. C. K. Sundarachar is treated as acting Professor on Rs 400/- (fixed) till 15th December 1930, the tenure of appointment of Mr. P. Sreenivasa Rao can be considered only as acting Assistant Professor in grade 200-20-300 during the period from 24-2-1930 to 14-12-1930 Vice Mr. C.K. Sundarachar promoted as officiating Professor and then permanent with effect from 15th December 1930 (the date of the Government Order). If this arrangement is approved, specific orders of Government are also necessary to start Mr. P. Sreenivasa Rao on the minimum salary of Rs 200/- per mensem, as - acting Assistant Professor (article 70 of Mysore Service Regulations).

B

If on the other hand Mr. P. Sreenivasa Rao has to be confirmed with effect from 24th February 1930 against the vacant post of Rs 400/-, Mr. C.K.Sundarachar would have no place to act as - Professor on Rs 400/- from 24th February 1930 to 14th December 1930 and therefore acting allowances drawn by him during the period may have to be retrenched.
